LEAN SIX SIGMA GREEN-BELT CERTIFICATION
PROGRAM FOR 5 DAYS OF WEEK-END HYBRID SESSION
DURING: December-26: 19, 20, 26, 27 & January-27: 2

It is a unique institution, devoted to the research, teaching & application of not only statistics and allied sciences, but also the natural sciences, social sciences and their interface with the statistics. Founded by Prof. P. C. Mahalanobis, a Physicist turned Statistician; the Institute has been accorded the status of an INSTITUTE OF NATIONAL IMPORTANCE, by an Act of Parliament, 1959.

Six Sigma Green-belts is typically a 5-day online program spread over 3 weeks. The participants will complete one Six Sigma project after the training and will acquire transferable problem-solving skills and competence to solve and guide many problems in the forthcoming years for the Organization. Assistance will be provided to the participants during their first Six Sigma project. Six Sigma is a factbased data driven structured methodology that is used to create breakthrough improvements in business processes. It is used to solve organizational problems where the solution is not known. The program augments the participants existing domain knowledge and expertise with statistical thinking and application. This will help them to channelize their efforts and knowledge in the right direction and achieve groundbreaking results in their field.

Who can benefit?

Top Executive, Middle Management, Engineers, Entrepreneurs and Transactional process leaders of any discipline from any type of industry. Six Sigma can be applied effectively in any kind of product or service-based industry

Certification Requirements:

Six Sigma Green-belt Certificate will be issued after successfully passing with $\geq 60\%$ marks in the test conducted on the last day and receive Six Sigma Green-Belt Training Session Completion certificate. Upon completion of a Six Sigma green-belt project subsequent to the training session, and having submitted the project consolidation or summary report and an online evaluation of the project, the training session completed participant will be issued with SSGB completion certificate.
